

I know that double \_\_\_\_  
is \_\_\_\_ and one less is \_\_\_\_.

I know that double \_\_\_\_  
is \_\_\_\_ and one more is \_\_\_\_.

## Four in a Row with Near Doubles

**Number of Players:** 2

**Materials:** counters, Near Doubles cards

**Directions:** Take turns to turn over one of the Near Doubles Cards. Find the sum and place your counter on that sum on your side of the board. Once your counter has been placed it cannot be moved. Keep going until one person gets 4 counters in a row (vertically, horizontally, or diagonally).

3	7	15	19
9	11	5	13
15	23	21	17
25	13	17	9

23	5	11	9
19	21	25	7
15	17	11	13
5	9	7	3

Near Doubles Cards: Print one pack per gameboard and cut out
